Meeting Minutes

Updates from Rosemarie Amatore (President), Lori Rodriguez-Sealy (Vice President) & Dina McGuinness (Secretary)

- Check our HAA page on the school website for news, events and minutes.
- We are working on getting a guest speaker for our next meeting with topic to be announced once confirmed (such as social media, bullying, school security).
- Parents raised concern and potential ideas for improving turnout and participation at meetings. Babysitting has been offered in the past and could be tried again if this would increase attendance at meetings.
- Holy Angels Toddler/Parent Playgroup will begin in January. Letters were sent home with tear off to be sent back to school for families interested in joining.
- Parents expressed ideas for the school to look for more outside grants and matching donations, etc. to increase current fundraising efforts.
- HAA to follow up on recess / lunch schedule and volunteers.

HAA Committee Discussions

- Parents break out into groups to work within Committees (Fundraising, Academic Enrichment, Social Events and Publicity/Communications) for the remainder of the meeting.

*** Next HAA meeting date TBA ***
